

National Drought and Flood Recovery Region Boundaries

Metadata Statement

This metadata statement relates only to the National Drought and Flood Recovery Region Boundaries file created on 19 November 2020.

Use constraint:

This material is released under the [Creative Commons Attribution 4.0 International Licence](https://creativecommons.org/licenses/by/4.0/).

Keywords:

Regional Recovery, Flood, Drought

Abstract:

Geographic areas designated by the National Drought and North Queensland Flood Response and Recovery Agency to outline the areas of responsibility of Regional Recovery Officers (RROs), who work directly with rural communities across Australia to assist people impacted by flood and drought.

Example Map:

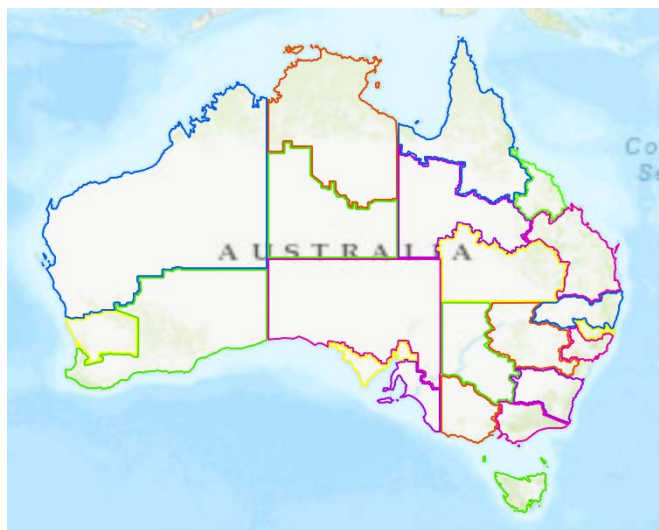

Image showing the National Drought and Flood Recovery Region Boundaries

Lineage Statement:

Boundaries were created by National Drought and North Queensland Flood Response and Recovery Agency.

Reference System:

GDA94

Source Information:

The boundaries were created using Local Government Areas 2018 produced by the Australian Bureau of Statistics.

Attribute Accuracy:

The accuracy of the attribute information is reliant upon the source data.

Completeness:

The National Drought and Flood Recovery Region Boundaries contain all local government areas contained in the [Local Government Areas 2018](#) produced by the Australian Bureau of Statistics.

Data Dictionary:

Attribute Name	Description
Region	The name of the recovery region
State	The state or territory each polygon is derived from
Officer	The name of the current Regional Recovery Officer (RRO) who is responsible for the recovery region
Email	The email address to contact the RRO

Data Maintenance:

The data will be updated as required upon changes to regional recovery officers or any required boundary changes.

Known Limitations of the Data:

Regions are based on 2018 Local Government Areas, these LGA may have changed and been updated in subsequent releases.

Terms of Use:

CC-BY 4.0

Crediting your use:

If you utilise this data you must credit "National Drought and North Queensland Flood Response and Recovery Agency" in your output products.
