Notes:

* The symbol 'n.a.' used in this publication means not applicable or not available.

* Totals may not equal the sum of components due to rounding.

* In order to meet privacy regulations, the following measures have been applied.

(a) Number indicators shown may have been rounded to the nearest multiple of 5.

(b) Statistics for some items may not be included in some tables.

1 Age of debt in years is calculated by taking the first date that a debt posting was incurred for an individual as the start date of their debt. The number of years between that date and 30 June 2010 is the age of debt in years.

2 The statistics for the 2009–10 income year were sourced from HELP debt transactions processed from 1989 to 30 June 2010.
