

## Taxation statistics 2009–10

### Table 25: Personal tax

Pre-filling statistics, 2007-08 to 2009–10 income years

Part A: Pay as you go (PAYG) data available for pre-filling

**Note:**

The pre-filling service displays information from all original and amended PAYG payment summaries as it is reported to the ATO by employers and super funds. This provides information about income, tax instalments deducted and some deductible amounts as reported on the payment summaries.
