

## **NSW DEPARTMENT OF ENVIRONMENT CLIMATE CHANGE and WATER**

### **General Terms and Conditions**

The Licensor - the NSW Department of Environment Climate Change and Water - hereby grants to the Licensee – the individual and/or Organisation as identified in the User Registration - a non-exclusive non-transferable Licence to use the intellectual property in the Product in accordance with the terms and conditions of this Agreement.

All intellectual property rights, including copyrights, in the Product are and shall remain the property of the Licensor, and the Licensor may use or sub-licence them as appropriate.

### **Licensee's Obligations**

(a) The Product enclosed here is provided under this Agreement is for the exclusive use of the Licensee; it may not be copied, transferred or adapted, in whole or in part, to any other persons or organisations without the express written permission of the Licensor and the payment of a further licence fee.

(b) The Licensee agrees to keep the Product confidential, and subject to the terms of this Agreement.

(c) The Licensee must not permit any other person or organisation to use the Product; where the Product is provided as computer files, the Licensee shall maintain only a single copy of the files.

(d) The Licensee shall use adequate security measures to protect the Product from unauthorised use, reproduction, distribution or publication.

(e) The Licensee accepts responsibility for the acts and defaults of all persons using the Product.

(f) On the termination of this Agreement, the Licensee shall dispose of and/or erase all copies of the Product in its possession.

(g) The licensee may print an extract for promotion purposes only and must include due recognition of the Department of Environment Climate Change and Water as the data source excluding any reports or written material supplied with the spatial data.

### **Errors and Omissions in the Product**

The Licensee acknowledges that the Product has not been fully tested by the Licensor and may contain omissions and errors and that it must rely on its own examination, skill and expertise in determining whether the Product is capable, suitable or safe for a particular application and use. The Licensor makes no guarantee to provide upgrades of the Product to the Licensee.

The Licensee acknowledges that the Product has not been developed for use on the Licensee's own software and that the Licensor makes no warranties in relation to the Licensee's software being able to utilise the Product. The Licensee must rely on its own skill and expertise in determining whether it will be able to utilise the Product.

### **Liability**

The Licensee hereby releases and indemnifies, and will keep harmless and indemnified, the Licensor from and against all liability whatsoever arising out of the use of the Product or otherwise whether for breach of this Agreement by the Licensor, negligence, injury, death, economic loss, loss of reputation or damages incidental or consequential to the provisions of this Agreement.

### **Law of Agreement**

This Agreement will be covered by and construed in accordance with the law for the time being in force in the State of New South Wales.
