Title	Macquarie Marshes Vegetation,1991-2008. VIS_ID 3920
Date	2015-08-08
Date type	Creation
Date	2013-07-04
Date type	Publication
Abstract	This is DRAFT metadata and will be updated in 2011. Vegetation communities of the Macquarie Marshes floodplain in 2008 were mapped by updating the linework and attributes of the 1991 Macquarie Marshes vegetation map (Wilson 1992) using digital aerial photography (50cm pixels) taken from March to May 2008 and field surveys conducted in May, October and November 2008.
