Under this licence you are free to use this information in accordance with the licence terms without having to seek permission from DNRM. You must keep the copyright notice intact and attribute the State of Queensland, Department of Natural Resources and Mines as the source of the material.

NOTE: Some information on this website may contain other copyright conditions as indicated.

The Queensland Government has undertaken reasonable enquiries to identify material owned by third parties and secure permission for its reproduction. To the extent that copyright subsists in a third party, it remains with the original owner. Accordingly, a user may need to obtain permission from original owners to reuse material that is not owned by the Queensland Government.

Apart from any use explicitly granted by a licence, or permitted exceptions under the [Copyright Act 1968](#) (including statutory licences and fair dealing provisions), all other rights are reserved. Enquiries should be directed towards the department for permission to reproduce DNRW material beyond the scope of the licence or the *Copyright Act 1968*.
